THIS IS UNEVALUATED INFORMATION

25X1

1. This report consists of a sketch map of the airfield at Taszár (A 96), near Kaposvár, with an accompanying explanatory legend.
2. The ground of the airfield is firm and loamy. It is an all-weather field and it can accommodate the heaviest airplanes. It has a weather station, and is equipped for night and instrumental flying. It has a capacity of three squadrons of heavy bombers. The field is occupied by a parachute battalion of the Hungarian Air Force.

Encl: Sketch map of the airfield at Taszár, 1 page.
